The first recorded Greek colony, established on the northern shores of ancient Anatolia, was Sinope on the Black Sea, circa 800 BC. The settlers of Sinop were merchants from the Ionian Greek city state of Miletus. After the colonization of the shores of the Black Sea, known until then to the Greek world as Pontos Axeinos (Inhospitable Sea), the name changed to Pontos Euxeinos (Hospitable Sea).

Ancient history as a term refers to the aggregate of past events from the beginning of writing and recorded human history and extending as far as the post-classical history. The phrase may be used either to refer to the period of time or the academic discipline. The span of recorded history is roughly 5,000 years, beginning with Sumerian Cuneiform script; the oldest discovered form of coherent ...
