Black Friday And The Christmas Creep The Commercialization

Black Friday: The collapse of the American Shopping Mall. In his bestselling book, *The World Without Us*, Alan Weisman wrote that structures crumble when weather does unrepaired damage and other life forms, such as insects, birds or mice, create new habitats in the rubble. Without interventions, these buildings could collapse.

Black Friday: Haunting Documentary Photo Series Captures

Black Friday. Riots and mob violence are generally tolerated on Black Friday since it is the key event kicking off the holiday shopping season and driving up corporate profits. Protests and riots for social justice and equality are seen as threats to the capitalist status quo and are systematically undermined, quelled, and co-opted.
