Being prepared means being equipped with the proper supplies you may need in the event of an emergency or disaster. Keep your supplies in an easy-to-carry emergency preparedness kit that you can use at home or take with you in case you must evacuate. Take the short quiz below to test your knowledge, then scroll down for our full list of recommended supplies.

What Do You Need In a Survival Kit | American Red Cross

A mini survival kit is a small survival kit which consists of the most essential outdoor survival tools and supplies which are the hardest to improvise, craft on the spot, or replace. It is intended to be carried on one's person at all times, be appropriate to all environments, and be a comprehensive kit without being too large.

Mini survival kit - Wikipedia

Under the Health and Safety in Employment Act 1992 and its amendments, there is a requirement to be able to look after your staff during an emergency, this includes Civil Defence emergencies.
