The game is conducted from a third-person perspective. While the gameplay operates similar to Resident Evil – fighting monsters and solving puzzles to further explore a location, Eternal Darkness maintains notable differences in gameplay style, some of which distinguished it from other horror/survival games of its time. An in-game map tracks a player's bearings.

Eternal Champions is a 1993 fighting game developed and published by Sega for the Sega Genesis. It was one of the few fighting games of its time developed from the ground up as a home console title, rather than being released in arcades first and later ported to home systems.. Sega released Eternal Champions in hopes of capitalizing on the fighting game mania that the game industry was in the ...
