Mapping power and utilities regulation in Europe

Church and State in medieval Europe includes the relationship between the Catholic Church and the various monarchies and other states in Europe, between the end of Roman authority in the West in the fifth century and the beginnings of the Reformation in the early sixteenth century. The relationship between the Church and the feudal states during the medieval period went through a number of ...

The European wars of religion were a series of religious wars waged in Europe in the 16th, 17th and early 18th century. The wars were fought after the Protestant Reformation's beginning in 1517, which disrupted the religious and political order in the Catholic countries of Europe. However, religion was not the only cause of the wars, which also included revolts, territorial ambitions, and ...
