Ensuring Successful Student Transitions from the Middle Grades to High School By: Kathy Christie and Kyle Zinth. The 9th grade year is critical to students' success in high school — the influence of a broader number of peers (both positive and negative); the potential of developing bad habits such as skipping class; and entry into a larger, sometimes seemingly less caring, environment can ...

Ensuring Successful Student Transitions from the Middle

The NFEC's financial literacy curriculum bridges the gap between real-world application and educational standards. The lessons motivate participants to take action to improve their finances, helping them build a foundation that supports growth toward financial wellness.
