National Center for Learning Disabilities. On February 26 and 27, nearly 30 young leaders joined NCLD and our partners at Eye to Eye in Washington, DC, to advocate for change on behalf of the 1 in 5 with learning and attention issues.

NCLD - National Center for Learning Disabilities

Learning disability, learning disorder or learning difficulty (British English) is a condition in the brain that causes difficulty and struggle to comprehend or process information and can be caused by several different factors. Given the "difficulty learning in a typical manner", this does not exclude the ability to learn in a different manner. Therefore, some people can be more accurately ...
