Obtaining the driver unit is crucial for trying to find the suitable updated PCI Encryption/Decryption Controller. regretablely this can't be performed by using windows device manager as the info presented there is commonly out of date itself.

PCI Encryption/Decryption Controller - free driver download

Just over a year ago I bought a Panasonic Viera, Model number TH-42PZ70BA. One night, it just died. Now all I get when I turn it on, is a rapid green flashing light, a second of white noise, it then switches itself off and slowly flashes red. Ive tried leaving it unplugged etc, all the normal things ...
