

MAKING AND USING DRIED FOODS

making and using dried pdf

Dried meat is a feature of many cuisines around the world. Examples include: Aliya, sun-dried meat from Kenya; Bakkwa or rougan, Chinese salty-sweet dried meat sheets.; Biltong, a cured meat that originated in South Africa.; Bògo?, a dried and smoked meat, often caribou, of the Dené people of northern Canada.; Borts, air-dried strips of horse or cow meat used as traveling food or to last ...

6 Easy Ways to Dry Flowers - wikiHow

Beans are an elemental food. We take them for granted because we usually buy them in a can, drain and rinse them, and then add them to other things where they fade into the background--little more than a pleasing texture or a cheap ingredient to add bulk. But beans, along with some other stalwart foodstuffs such as rice, are an integral part of almost every culture.

Table 2. Nutritional composition of Bermudagrass hay, dried distillers grains plus solubles (DDGS), and salt- based premix. 1: DDGS were offered initially at a rate of 2 lbs/head/day and increased to free choice intake until intake reached 12 lbs/head/day, at which time premix was included. 2 Premix was added at 10% of daily intake to limit intake of DDGS, avoiding unsafe S and P levels.
