Hi, its 15degrees celcius in Ireland today...this time last year the waterfall in town was frozen. Whats a myth? The reduction of tangible reality from matter to form in successive steps of transformation, none of which resemble the former a.k.a, science, or experienced reality?

Lecture to Oxford Farming Conference, 3 January 2013

Public choice or public choice theory is "the use of economic tools to deal with traditional problems of political science". Its content includes the study of political behavior. In political science, it is the subset of positive political theory that studies self-interested agents (voters, politicians, bureaucrats) and their interactions, which can be represented in a number of ways – using ...
