WARNING What you are about to hear may seem: •Contrary to most of what you learned in college •At odds with the way most organizations are said to be run. •Challenging the basic premises of the Western intellectual tradition, ever since Plato's Republic. •Disturbing, because it may raise issues with some of the deepest beliefs of your life

Leading Change Through Storytelling - stevedenning

It's never too early to steer your child toward books. But with toddlers, the goal is to foster a lifelong love of reading – not have them get through the classics before they're out of preschool.

Active Listening Skills ("Empathic Listening")

"A world where the voice of every child and adult, however they communicate, is listened to and heard" 1Voice takes a family and social perspective on communication and recognises the great need for adult role models to inspire children and families alike. 1Voice promotes families supporting each other to overcome the isolation that being unable to speak can bring.
