vii How is Texas' Early Learning Pathways organized? Texas' Early Learning Pathways follows the structure of the ITELG and the Pre-K Guidelines, grounded in ITELG's four developmental domains: • Social and emotional development • Language and communication development • Cognitive development

Texas' Early Learning Pathways

Security actors significantly diverge over how they draw these relations and position threats within these. NATO's Alliance Maritime Strategy , for instance, excludes the lower, left corner from its understanding of maritime security in arguing that these are separate so called high end tasks, and then primarily focusses on issues related to the blue economy and human resilience.
